

Download Our New
Locker Mobile App:

ParcelPoint Mobile*

*Use of the package lockers and their app is restricted to On Campus Residents only.

- With the app you can receive in app package notifications
- View your package history
- View the location and status of your packages
- View your package collection PIN or barcode
- Collect your item from the locker using the in-app Collection PIN, Collection Barcode or open the door containing your package remotely with the Open Locker button (do not use the button if you are not in front of the locker bank to collect your item)

To begin, scan the appropriate barcode below or click the appropriate link to download the app onto your device:
